2018 Field Trip Descriptions

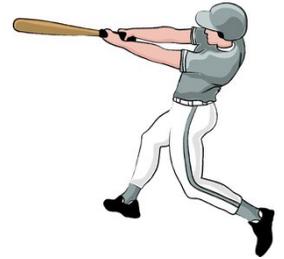

Session 4: Roger Williams Zoo

Campers will get up close and personal with nature. Snow leopards, giraffes, snakes, turtles and anteaters are just a few of the animals we will encounter.

Session 5: Lowell Spinners Game

We will watch the Lowell Spinners (Red Sox) take on the Aberdeen IronBirds (Orioles) in a 11:05 game at LeLacheur Park. You never know who may be playing from the big club!

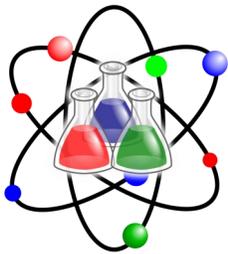

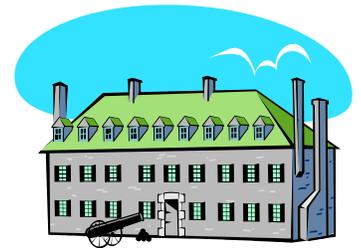

Session 6: Water Wizz

We will splish and splash our way through a variety of waterslides, wave pools, lazy rivers and water obstacles in Wareham. We bring our own lifeguards for extra safety.

Session 7: George's Island

A boat ride through Boston Harbor will take us to George's Island where we will explore historic Fort Warren which served as a Confederate prison during the Civil War as well as defense for the harbor.

Session 8: Museum of Science

Dinosaurs, computers, electricity, animals, waves and more are sure to entertain the campers as they tour the exhibit halls, having fun and learning along the way!

Session 9: Southwick Zoo

Lions, Tigers and...Deer? Oh my!!! These and many other animals await our campers on this trip!

Session 6: Boston Children's Museum

Campers will get to experience hands-on exhibits that include science, the arts, culture, the environment, health & fitness and more!
